

RoHS Compliance Declaration

ALL PRODUCTS that are manufactured by Lubell Labs Inc. are in compliance with Directive 2011/65/EU (including delegated directive 2015/863/EU) of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment. In addition, this declaration of conformity is issued under the sole responsibility of Lubell Labs Inc.

The products manufactured do not contain the substances listed in the table below in concentrations greater than the listed maximum value.

Substance	Maximum Limit
Cadmium (Cd)	0.01%
Lead (Pb)	0.1%
Mercury (Hg)	0.1%
Hexavalent Chromium (Cr6+)	0.1%
Poly Brominated Biphenyls (PBB)	0.1%
Poly Brominated Diphenyl ethers (PBDE)	0.1%
Bis(2-ethylhexyl)phthalate (DEHP)	0.1%
Butyl benzyl phthalate (BBP)	0.1%
Dibutyl phthalate (DBP)	0.1%
Diisobutyl phthalate (DIBP)	0.1%

The data provided is correct to the best of our knowledge.

REACH Compliance Declaration

This letter provides the compliance status of Lubell Labs Inc. products with the following directive(s) or regulation(s): Product/Article Declaration for REACH (EC 1907/2006) - Effective January 4, 2019

Background

The acronym "REACH" stands for the "Registration, Evaluation, Authorization and Restriction of Chemicals". REACH is a European Union Regulation (No 1907/2006) which was entered into effect in June 2007. REACH is intended to improve the protection of human health and the environment through the identification and use of certain chemicals and chemical substances.

Lubell Labs Inc. designs and manufactures underwater speakers and underwater acoustic transducers used in /for: collegiate synchronized swimming and competitive swimming programs, university / public / private / military / municipale swimming pools, oceanography, acoustic tomography, movie production, marine biology, military and commercial diver training, and in fauna attraction and repulsion systems.

Substances

Through REACH (EC1907/2006), the European Chemical Agency (ECHA) publishes an updated list periodically of chemical substance candidates considered to be "Substances of Very High Concern" (SVHC) through regulation. Articles containing SVHCs = .1 % by weight may be subject to reporting.

More information regarding REACH (EC1907/2006) and SVHCs as established on the ECHA candidate list can be found through the following link: <https://echa.europa.eu/candidate-list-table>.

Lubell Labs Inc. Product(s)

Lubell Labs Inc. does not perform analytic testing on our products to determine any presence of REACH SVHCs. Lubell Labs Inc. bases it's knowledge on information provided by third parties and believes it to be true. To the best of our knowledge, unless listed below, the SVHCs published on the ECHA candidate list (<https://echa.europa.eu/candidate-list-table>) are not intentionally or knowingly used as ingredients in products manufactured by Lubell Labs Inc.. These substances are not expected to be present above the regulated threshold limits and our manufacturing processes are not expected to introduce or create these substances.

Brian Lubell
President
